PRIORITY

SENT DEPARTMENT 27, TEGUCIGALPA 3.

National radio yesterday broadcast on 8 separate occasions translation TIME July 14 article. Leading newspaper PRENSA GRAFICA on July 16 also published complete translation. In order help mitigate widespread resentment aroused by article and improve atmosphere Eisenhower visit, suggest Department approach Senator Wiley to determine if he may be amenable issuing statement on arrival here Saturday to effect that TIME article does not reflect feelings either American people or US Government. Advise.
